

Jingle All the Way(Jingle Bells)

Chorus

Profits here, profits there,
profits everywhere
Christmas time is funny,
we smell money in the air
Advertise, glamorize,
fool you with a flair.
Let's make sure that Christmas
is a businesslike affair!

You're eating up our lies and dashing to
the stores, then all our prices rise and how the money pours!
If we don't keep you drugged and
watching your TV, you might see the
hypocrisy, then where would business be?

Chorus

We'll tell you how to think and tell you what to try
What to eat and drink and how to live and die
And if our plan succeeds, when Christmas time is nigh
Instead of seeking love and peace you'll hunt for gifts to buy!

Chorus

God Rest Ye Merry Gentlemen

Slow down ye frantic shoppers for there's something we must say
If you would spare a moment all the stores would go away
Big business has been telling us what Christmas means today

Chorus:

Now it's time we decided for ourselves, for ourselves
Yes it's time we decided for ourselves

To some folks Christmas means a time for gathering with friends
And enemies might take it as a time to make amends
But Tvsays it's time for pricey gifts and all our selfish ends

Chorus

Some people feel that Christmas is when Jesus makes a call
For others it's a time to stress good will and peace to all
But advertisers tell us it means Santa's at the mall

Chorus

Toys for the World (tune of Joy to the World)

Toys for the world are made by kids... and not by elves at all!

We work them night and day, for very little pay,
And little tiny hands.....make all your fav'rite brands
That fill up the shelves in every shopping mall!

Toys for the world that Santa brings.....So your sweet kids can play!
What's underneath your tree....Is our economy.
And all those girls and boys.....Who make you're children's toys
Are not getting squat from us on Christmas Day!
Are not getting squat from us on Christmas Day!

Buy and Sell (to the tune of Silver Bells)

City sidewalks, busy sidewalks lined with advertising
It's the big retail season of Christmas
Children begging for each new thing
Toys for mile after mile and the mood of the season is clear...

Chorus:

Buy and Sell (Buy and Sell)
Buy and Sell (Buy and Sell)
It's Christmas time for consumers
Ching-a-Ching (Ching--Ching)
Cash registers ring (Cash registers ring)
Must we spend Christmas this way?

Maxing credit, running debits, buying things we don't need
with money we don't really have
Children crying, parents sighing, no time for family
And the reason behind it is clear.....

Chorus

Carol of the Toys (tune of Carol of the Bells)

(Repeat, changing key each time)

High Voices: Barbie Dream House, Mickey Mouse, Beanie
Babies, Tamagotchis

Low Voices: Too Much stu--ff

High Voices: Cabbage Patch Dolls, Ninja Turtles, Super
Nintendo, Tickle Me Elmo

Low Voices: Too much Stu--ff

Consumer Wonderland (to the tune of Winter Wonderland)

The TV's on.....are you watching?
Another product that they're hawking
One more thing that you need, to make life complete....
Welcome to Consumer Wonderland.

In the stores.....you will hear it,
"Pricey gifts....show holiday spirit"
That's what they call it, to get to your wallet,
Welcome to Consumer Wonderland.

At the mall we can go out shopping,
And buy lots of stuff we can't afford
We'll have lots of fun with our new toys
'til we realize that we're still bored---

When you shop....ain't it thrilling,
Until you get the billing
The money you still owe....the stuff broke long ago....
Welcome to Consumer Wonderland.

Uh Oh, We're In The Red, Dear (tune of Rudolph the Red-Nosed
Reindeer)

Uh oh we're in the red, dear....On our credit card it shows
Christmas is almost over....But the debit line still grows
Shopping like Santa's zombies....Sent our budget down in flames
But all our Christmas spirit....Helped the giant retail chains

I'm so foggy Christmas Eve
Wondering how we'll pay
Christmas doesn't seem so bright
When our money is so tight

So here's a plan for next year....Let's forget the shopping spree
Let's give a gift of love, so....All our Christmas gifts are free!
